

SPECIAL EDITION

60 years ago today the first Lear Jet S/N 23-001 was officially rolled out of the Wichita, Kansas facility with many proud employees in attendance. This event set the stage for the first flight of the Lear Jet on October 7<sup>th</sup>, 1963.

Please join us as the Classic Lear Jet Foundation celebrates this historic aviation milestone event at the Bombardier Wichita facility, building 14 on October 7<sup>th</sup>, 2023. Two events will be held, a day open house and an evening dinner with presentations.

Both events support the Classic Lear Jet Foundation's project to restore and operate the first delivered Lear Jet, 23-003.

More information will be communicated in this month's regular recharge.
